SRM INSTITUTE OF SCIENCE AND TECHNOLOGY

Official Academic Regulations: Student Attendance, Duty Leave, and Condonation Rules (v2026)

Section 1.0: Minimum Mandatory Attendance Requirement

All undergraduate and postgraduate students enrolled in regular coursework at SRMIST must maintain a minimum overall attendance of **75%** in each course per semester to be eligible to sit for the end-semester examinations. A student maintaining less than 75% attendance in a course will be detained and awarded an 'I' (Incomplete) grade. For medical or special academic exceptions below 75%, refer to **Section 3.1**.

Section 2.0: Official Duty Leave (DL) Allowance Matrix

Duty Leave (DL) will be granted to students who represent SRMIST in official competitions, technical symposiums, research conferences, or university athletic teams. DL credit prevents attendance percentage drops during approved absences. Maximum DL limits per semester are capped as follows:

Event Category	Maximum DL Days Allowed	Mandatory Approval Authority
Inter-University Technical Fests / Hackathons	10 Days	Head of Department (HOD)
Inter-State Sports & Cultural Tournaments	8 Days	Director of Sports / Cultural Affairs
National Research Paper Presentations	5 Days	Dean (College of Engineering)

Section 3.1: Medical Condonation & Shortage Penalties

If a student's attendance falls between **65% and 74%** due to certified medical illness or prolonged hospitalization, the shortage may be condoned by the Dean.

1. The student must submit an official medical certificate along with **Form MED-101** to the Campus Medical Officer within 3 working days of returning to campus.
2. A mandatory medical condonation fee of $50 (INR 4,000) per course applies.
3. For students traveling out of state for sanctioned competitions who fall ill, see **Section 4.2** regarding travel clearance and medical validation.

Section 4.2: Out-of-Station Travel & Exemption Clearance

For any out-of-station duty leave involving inter-state travel outside Tamil Nadu, students must obtain pre-approval prior to departure.

1. Students must submit a signed parent authorization consent form.
2. Students must obtain an official clearance stamp via **Form TRV-204** from the Department Office prior to travel.
3. Failure to submit Form TRV-204 prior to departure will render any class absence as unauthorized under **Section 1.0**, and Duty Leave will not be credited retroactively.
